Dear Members

**Worcester Ukulele Club**

I would like to express my thanks to you all for choosing the Stroke Association as your Charity of the Year for 2014 and raising £2,500. This is such a fantastic amount and will make a huge difference.

Your donation could help fund research into prevention, treatment and better methods of rehabilitation and help local stroke survivors and their families in the West Midlands area through our Life after Stroke Services. These include Information, Advice and Support, Communication Support, our National Stroke Information Services helpline and Life after Stroke Welfare grants.

Through donations and support by people such as you, we have been a part of all the major research programmes into the causes and effects of Stroke during the past 20 years – and the number of deaths in the U.K. and Wales following stroke has reduced by 50% over this period.

Thank you for your continuing support.

Kind regards,

**Claire Benfield**
