

*Hi Elaine and all at Worcester Ukulele Group!*

*I just wanted to say thank you so much for your recent donation of £2,035. You'll be glad to know that the money you sent has reached us safely, so please pass on our thanks to everyone who has played a part in your fundraising. This year you have raised a massive £5,233 so far which is just incredible!*

*Your efforts have led to vital funding. Which means that you're now helping our scientists to discover more about this devastating condition and bringing us closer to discovering a life-changing dementia treatment. So, thanks again to you and your fellow fundraisers, Worcester Ukulele Club. Your support is so important to us and to our scientists. You are bringing us closer to the breakthroughs in dementia research that will change countless lives.*

*I hope to be able to come and meet you all in person very soon!*

*Many thanks*

*Penny*
