Hi Elaine,

I'm so sorry for the delay in getting back to you. I can see that we have received £4346.99 since January 2020. Hopefully this tallies with your treasurer's figures when you get them too!

Please do pass on our sincere thanks to every member of the Worcester Ukulele Club for their wonderful support and commitment in fundraising for Alzheimer's Research UK, especially during such a tough year. This fantastic donation could assist scientists developing an Alzheimer's blood test to help detect the disease in its earliest stages when future treatments are most likely to be effective and could help us fund vital clinical trials, the final step to getting new treatments into the hands of people with dementia.

If there's anything else I can help with, please do just let me know. I'm only currently working Tuesday's - Thursday's but will make sure to get back to you asap.

Warmest wishes,  
Bernie
